NOTE FOR: DD/PBS

FROM: C/LL

SUBJECT: Request from SAC Staffer for
Information on Computer Purchases

1. Susan Shekmar called today to ask if we could give her information on total NFIP spending for "computers, computer peripherals, and software", by year from FY 1980 thru FY 1986. Although she said this was not an issue with the Committee, she would not elaborate on why she wanted the information. I told her that we would probably not be able to do any better than a "best guestimate" and she said that would be fine.

2. No due date was specified.
